

Into the Deep

Words and Music by Anthony LaBruno, Sean Hill

Verse 1

Gm **Eb**
Into the deep You're calling me
Bb **F**
Out from the shoreline and onto the sea
Gm **Eb**
Where I learn to trust and follow Your voice
Bb **F**
You're guiding me further, into the deep

Verse 2

Light in the dark You're leading me
Through raging waters my eyes have not seen
This danger is safer than dwelling in fear
So I'm going further, into the deep

Pre-chorus

Gm **Eb** **F** **Gm** **Eb** **F** **Gm** **Eb**
I am not afraid, my God You're always there

Chorus

Bb
No matter how dark, no matter how deep
F **Gm** **Eb**
Your hand will lead me there
Bb
No matter how far, no matter how steep
F **Gm** **Eb**
Your hand will hold me there
F **Gm** **Eb**
My God, You're with me there

Verse 3

Peace in the storm, my lighthouse be
A symbol of hope that I long to see
But I live by faith, no turning back
Pursuing You further, into the deep

Bridge

Eb **Gm** **Bb** **F**
By faith and not by sight, I will trust in Your sovereign hand
